

Xylem Security Advisory

Cybersecurity and Infrastructure Security Agency (CISA) - “Shields Up” Advisory

February 16, 2022

Overview

Due to increasing geopolitical tensions, CISA has issued a “Shields Up” message to every organization in the United States, including federal agencies.

The [Shields Up Advisory](#) provides steps organizations can take immediately to ensure that:

- The likelihood of a damaging cyber intrusion is reduced
- A potential intrusion is quickly detected
- An organization is prepared to respond if an intrusion does occur, and;
- An organization has maximized their resilience in the face of a destructive cyber incident

Xylem recommends all customers adopt a heightened posture when it comes to cybersecurity and protecting critical assets.
