

# HYPACK® 2012 Training Conference

By Christine Roca

It has become official!

The HYPACK® 2012 training seminar will be held in San Diego, CA. The beautiful and newly renovated Sheraton Hotel and Marina will be providing accommodations and hosting our annual conference.

The Sheraton Hotel and Marina boasts a superb location, nestled at the edge of spectacular San Diego Bay, the Sheraton San Diego Hotel & Marina enjoys panoramic views of the bay and the city skyline yet is just 10 minutes from renowned attractions including the San Diego Zoo, Old Town and Balboa Park.

The 2012 conference will be held from January 29<sup>th</sup>-Feb 1<sup>st</sup> 2012. It will include the reveal of our 2012 version of HYPACK® software, general training and expert sessions, and one-to-one

meetings with our technicians and programmers. Exhibitors from the industry's leading companies will be available to answer attendees' questions and provide boat demonstrations of their equipment. Those interested in attending will be able to register and find conference information on our website at [www.hypack.com](http://www.hypack.com) as the time of the conference approaches.

If you have any questions, please contact Christine or Lourdes at [sales@hypack.com](mailto:sales@hypack.com) or call 860 635-1500.
