

## **REGISTER NOW!** [www.hypack2018.com](http://www.hypack2018.com)

Come and join us at the 25th annual HYPACK Training Event in Savannah, Georgia on January 16th-19th, 2018. The event will be hosted by the Westin Savannah Harbor Resort.

This event is an opportunity for attendees to receive unparalleled training in some of the world's leading hydrographic software packages, HYPACK®, HYSWEEP® and DREDGEPAK®. HYPACK certified trainers and programmers will also be present for one-on-one sessions, giving attendees the opportunity to discuss any project specific questions. You will also find thirty of the industry's leading companies exhibiting at the HYPACK 2018 Training Event. For more information on the schedule, exhibitors and to register please visit our website at [www.hypack2018.com](http://www.hypack2018.com).

## **EXHIBIT FLOOR IS SOLD OUT!**

We have 30 exhibitors from the industry's leading software/hardware manufacturers, equipment resellers and service providers will be on hand in the exhibit hall or performing on-the-water demonstrations.

## **HUMPER CLASSIC GOLF TOURNAMENT**

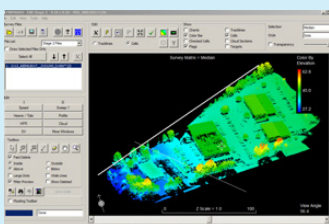

The Humper Classic Golf Tournament is back! Join in on the fun and register to be part of the 2018 Humper Classic. For those who can get to Savannah a day early, the annual Humper Classic Golf Tournament (named for Humper the Whale, our loyal mascot) will be played on Tuesday, January 16th. The tournament will be held at The Club at Savannah Harbor. A small Banquet will be held after the golf at the course's banquet facility. There will be a buffet, raffle, and prize giveaway.

## HERE ARE THE TOP 5 REASONS WHY ATTENDING HYPACK 2018 IS ESSENTIAL FOR YOUR COMPANY AND EMPLOYEES!

### ***1. Training is essential to the fluidity of your operation!***

The most successful companies have the least amount of employee turnover. One way to reduce employee turnover is by providing employees with the necessary tools to do their jobs efficiently. Well-trained employees are the cog that keeps your machine running smoothly.

### ***2. Keeping up with the newest innovations in hydrography, dredging and unmanned mapping solutions is important!***

It is paramount to your company's success to know what is new and evolving in your market.

### ***3. It can help increase your revenue!***

Most contracts require that you have the ability to record your data, track your progress, and provide reports to the customer. Being trained on HYPACK® software can help you accomplish all of these tasks. It can help you complete jobs in a more efficient and timely manner, saving you time and money.

#### ***4. It provides an opportunity for networking!***

The HYPACK Training Event is a unique opportunity for attendees from different businesses and countries within your industry to interact; exchanging ideas and cultivating contacts.

#### ***5. It is inexpensive and the knowledge you gain is indispensable!***

HYPACK knows the importance of training to its customers. We purposely keep the training event costs low so all HYPACK users can take advantage of this much-needed training. It is inexpensive and the knowledge you gain is indispensable!
