# Screen Capture Contest

Now that HYPACK® 2018 has been released we want to see what you're doing with it! Give us your best shot and send as many interesting and unique screen captures that you have. With all the new features and updates in HYPACK® 2018 we know you can capture some great shots!

There are four different categories for the contest:

- Category 1 – DREDGEPACK®
- Category 2 – HYPACK®
- Category 3 – HYSWEEP®
- Category 4 – Open (anything to do with HYPACK software)

Our HYPACK professional judges will review and score all screen captures and pick a winner for each category. Please submit your screen captures by May 15th! You can send multiple pictures for each category or just one for a single category. The winning HYPACK Screen Captures will be published on our website and social media sites! The winning screen capture wins this Bose Soundlink Waterproof Bluetooth speaker. Second and third place will receive HYPACK promotional items.

This contest is open to all HYPACK®, HYSWEEP®, and DREDGEPACK® users. We want to see the most interesting and unique screen capture that you have! Please submit your winning HYPACK screen capture to [Brittany@hypack.com](mailto:Brittany@hypack.com) by May 15th! Remember to include a short description of what the picture shows, the surveyor name, equipment used, boat name, and location.
