Norfolk, VA

Visit us for promotions & giveaways!

VISIT US AT WEDA!

HYPACK will be exhibiting at the 2018 Western Dredging Association (WEDA) on June 25th-28th, 2018 in Norfolk, VA. Stop by booth 61 to learn more about our DREDGEPACK® software, promotions and giveaways! The WEDA conference is a great place to connect and learn more about dredging, navigation, marine engineering and construction.

HYPACK has remained a leader in the dredging industry for over 20 years by providing quality, dependable dredging solutions. Our company and software meets the needs of our dredging users and helps get their projects done more efficiently. Stop by our booth to see how we can help improve your dredging projects.

When stopping by our booth you will be entered in a drawing to win a Lenovo - Star Wars™: Jedi Challenges - AR Headset with Lightsaber Controller and Tracking Beacon.

Don't miss this chance to connect with our HYPACK Team. We hope to see you there!
