

REGISTER NOW!

Come and join us at the 27th annual HYPACK Training Event in Jacksonville, Florida on January 6th-9th, 2020. The event will be hosted by the Hyatt Regency Jacksonville Riverfront. This training event will offer instruction on the newest features of HYPACK® 2020 as well as comprehensive training for both novice and experienced users in HYPACK®, HYSWEEP® and DREDGEPAK® software. HYPACK-certified trainers and programmers will also be present for one-on-one sessions, giving attendees the opportunity to discuss any project specific questions. You will also find 30 of the industry's leading companies exhibiting at the HYPACK 2020 Training Event.

NEW FEATURES

We have a lot of exciting new features in our HYPACK® 2020 software. This version includes many powerful enhancements and cutting edge tools. Some of the features are listed below:

- Multibeam Autoprocessing
- 3D dredging displays using REAL TIME CLOUD
- Redesigned MAGNETOMETER EDITOR
- Support for multifrequency side scan
- More robust parsing and added speed functionality
- RAW data playback module
- Updates to work with newer cameras
- Fixed Target Displays in SIDESCAN SURVEY
- Visual Positioning in IMAGE GEO-REFERENCE
- New tools and output options in XYZ MANAGER
- New Utility Driver: RemoteLogLine.dll

HYPACK Q&A SESSION

HYPACK is excited to host our second Q&A session at our annual event.

Attendees are encouraged to submit questions prior to the Q&A session. We will feature these questions during the panel. You can send your submissions to brittany@hypack.com

WE LOOK FORWARD TO SEEING YOU IN JACKSONVILLE, FLORIDA!
