HYPACK
a xylem brand

You're running out of time! Register now to take advantage of our **EARLY BIRD DISCOUNT**.

Join us for our annual HYPACK Training Event on January 18th-20th, 2022 in Long Beach, California! **October 15th** is the last day to take advantage of the special discounted price, so [REGISTER TODAY!](#)

This training will offer instruction on the newest features of HYPACK® 2022 and training in HYPACK®, HYSWEEP® and DREDGEPAK® software. By attending you will have exclusive access to all of our live training sessions and the ability to network with attendees and exhibitors. We are also excited to announce that attendees will be able to see HYPACK in action from a live streamed demo at the hotel. Make sure to join us for our **ICE BREAKER** event during event check-in on January 17th from 5:00pm-6:00pm.

Training Sessions

Training is essential in keeping up to date with the latest changes in the industry. This three-day event will provide you with the tools needed to do your job efficiently. We will be having three different rooms running at the same time with new content for novice and experienced users. These sessions will run from 9:00AM-4:30PM. See the schedule here: [HYPACK 2022 Schedule](#)

Exhibit Hall

You will be able to meet exhibitors from the industry's leading companies and learn about their products and services! Our exhibit hall will be open from 8AM to 5PM for attendees to network with the exhibitors before, after and during the training sessions. Get the interaction and networking you have missed for over a year! Check out our exhibitor list here: [EXHIBITORS](#)

One-on-one Sessions

We will also be offering half-hour one-on-one sessions for attendees to meet with our HYPACK experts. You will be able to sign up for a specific time to meet with one of our sales or technical representatives to talk about project specific questions or general questions. Keep an eye out for an email with one-on-one sign up times! We are confident in providing the best experience for you and your company. If you have any questions, please contact us at training@hypack.com
