

Early Bird Registration is Open!

by Brittany Heins

We are excited to announce the 33rd annual [HYPACK Training Event](#) will be held from January 12-15, 2026 at [The Hilton New Orleans Riverside](#) in New Orleans, Louisiana!

Join industry professionals from around the world for four days of hands-on training, networking, and innovation. This year's event will feature in-depth instruction on the latest advancements in **HYPACK® 2026**, as well as comprehensive training in **HYPACK®**, **HYSWEEP®**, **DREDGEPAK®**, and other HYPACK software.

We're committed to delivering **high-quality, hands on training sessions** designed to enhance the skills and knowledge of hydrographers, dredgers, and survey professionals. **Don't miss your chance** to be part of this premier industry event. Learn something new and enhance your skills at **HYPACK 2026!**

WHY ATTEND HYPACK 2026?

- **Learn** about new features, workflows, and use cases in interactive training sessions
- **Connect** with top companies and fellow professionals in hydrography and dredging
- **Enhance** your technical skills with hands-on software demonstrations
- **Network** at our welcome ice breaker, reception event, and in the exhibit hall
- **Understand** how HYPACK® works for you and your unique setup with **one-on-one sessions** with a HYPACK expert.

Whether you're a hydrographer, dredging specialist, or surveying professional, our training event is designed to help you stay ahead in the industry with the cutting edge tools and knowledge you need. Take this opportunity to advance your career and be part of the leading event in hydrographic and dredging technology.

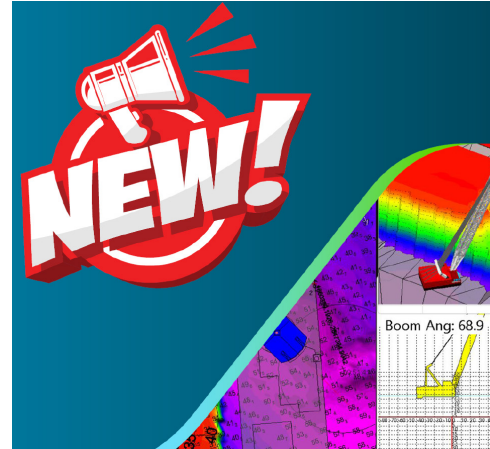

Take advantage of our Early Bird Special and save \$150 before it's too late!

REGISTER NOW
