TÜV Technische Überwachung Hessen GmbH,
Notified Body, Identification Number 0091, certifies
that the company

Xylem Analytics Germany GmbH
Dr.-Karl-Slevogt-Straße 1, D-82362 Weilheim

at its manufacturing plant

Hattenbergstraße 10, D-55122 Mainz

has been examined and approved as manufacturer of electrodes
for pH-measurements, which are to be used as components of
pressure equipments according to the directive 2014/68/EU.

The scope of the examination and further details can be
gathered from our report Nr. IS 4326 3807.

The above-named company meets the following essential
demands:

- facilities permitting manufacturing and inspection in compli-
ance with the current technical standards,
- a quality system which guarantees appropriate and traceable
manufacturing and inspection of the products,
- competent supervisory and inspection personnel.

This certificate expires in January 2021.
