

# Xylem Watermark

## Educational Resources and Activities

### Water, Sanitation and Hygiene

Increasing access to safe water and sanitation facilities is a key part of Xylem Watermark's mission and a vital step towards keeping people healthy. However, education and behavior change is also necessary to create permanent lifestyle changes that save lives. Below are videos, activities and resources that can be used by Xylem volunteers to bring water, sanitation and hygiene (WASH) education to their community.

#### **Resources**

- [CDC Handwashing Information, Promotional Materials, and Activities](#)
- [Glo Germ Handwashing Lessons for Any Grade Level](#)
